Fellow Hoon Kim
Section XI - Korea
International College of Dentists

Dear Dr. Kim,

I have recently learned from one of your esteemed colleagues, Dr. Woong Yang, you have recently had a dental textbook published.

On behalf of the nearly 12,000 Fellows in the International College of Dentists worldwide, I congratulate you on this wonderful achievement. Your book, 'Efficiency and Excellence in Self - Ligation Orthodontics,' published by Myungmoon, will benefit many in our chosen profession. Additionally, its publication fulfills one of the goals envisioned by our founding founders in 1920: "To foster the growth and diffusion of dental knowledge." This is the culmination of your academic preparation, professionalism and specialty recognition. You, your family, your colleagues in Korea and our many ICD Fellows are most proud of this significant addition to dental knowledge.

If I should ever meet you personally, I will offer my right hand of fellowship in congratulations of your accomplishment. Many of us dream of writing a book, including me, but very few manage to do so. That makes you quite special.

In warm fellowship, I remain,

Yours most sincerely,

Charles L. Siroky
